

TERRIFIC KIDS stands for:

Thoughtful

Enthusiastic

Responsible

Respectful

Inquisitive

Friendly

Inclusive

Capable

This is one of our primary school projects, where a special student is selected by the teacher of each class as a Terrific Kid. This is a wonderful way to recognise a child who has demonstrated good citizenship, an interest in literacy and language arts, a zest for learning and knowledge, and self motivation.

The Kiwanis Club donates an age-appropriate book to the respective schools in the name of each winner, with a label affixed to the book with the student's name listed on it, as a permanent recognition of the child's achievement.

At a special assembly at the school, to which the parents are invited, the books are awarded to the winning students by a Kiwanian.

Manticore Books is a great partner in this project, as they offer the Club a discount on the purchase of the selected books.

If you have never attended one of these assemblies, you are missing out on a great experience, seeing the look on the faces of these great kids when their names are called out.
